August 24, 2006

TEMPORARY CLOSURE OF HIGHLAND AVENUE IN SAN BERNARDINO

Route 210 construction will require a full closure of Highland Avenue between Route 30 and California Street in San Bernardino the weekend of August 25. Construction crews will be making road and signal improvements, including the opening of the new Route 210 Highland Avenue under-crossing and the realignment of Highland Avenue in this area.

The street closure will be in place from 9 p.m. on Friday, August 25 until 5 a.m. on Monday, August 28. During this closure, motorists can use Medical Center Drive, 16th Street and California Street as a detour route.

In addition, intermittent lane closures will be required on this section of Highland Avenue for lane striping, August 28 and August 30 from 6:30 a.m. to 3 p.m. both days. One lane in each direction will remain open to motorists during these lane closures.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
